

Philip O'Brien Elementary School

Eating Lunch at School

We are excited to welcome family members back on campus to eat lunch at school! Please review the policies in place to keep our students and staff safe.

- In order to eat with a student, you **MUST** present a photo ID which will be processed in our Raptor system. This is state law. If you do not have a photo ID, you will not be allowed to eat with the student or be on campus.
- While on campus, you must keep your visitor badge visible. When leaving, stop by the office and return your badge to be signed out in the Raptor system.
- Only those persons listed on the child's emergency contact list may have lunch with them. Your child will not be allowed to have a friend sit with them.
- All families will eat outside at the picnic tables during the regularly scheduled lunch times. Lunch times may not be extended or modified for visitors as this disrupts instructional time.
- If you wish to purchase a lunch from the dining room, an adult lunch costs \$3.95. You may pay by cash or check. We cannot accept bills larger than \$20.

If you have any questions about lunch procedures, please call the school at
(863) 499-2950.
